2012

Contributor contact details.

Horne L, Frumkin S, Bradley S, Weiss M, Starbuck M, Evans-Mikellis S, Frumkin S, Weiss M, Eason JM, Noor-Evans F, Peters S, Stingelin N, Büsgen A, Wilson P, Teverovsky J, Piller FT, Lindgens E, Horne L and Rose B. *New Product Development in Textiles*.

7 Nanotechnology innovation for future development in the textile industry.

Noor-Evans F, Peters S and Stingelin N. *New Product Development in Textiles*.

2011

Nanotechnology innovation for future development in the textile industry.

Noor-Evans F, Peters S and Stingelin N. *New Product Development in Textiles: Innovation and Production*. Horne L. Woodhead Publishing.

2010

Technological entrepreneurship and firm strategy: the development and commercialization of the Ballard fuel cell.

PETERS SR and Coles AM. *International Journal of Entrepreneurship and Innovation* vol. 11, (1) 79-88.

2006

Energy, materials and transition paths to sustainable economies.

Tezcar M, Peters S, Hogg PJ, Kaounides L and Mansouri N. *Mater Technol* vol. 21, (4) 210-220.

National Systems of Innovation: Creating High Technology Industries.

PETERS SR. *Palgrave Macmillan*.

2003

Sustainable development, global innovation and advanced technologies: the case of fuel cells.

Coles AM and Peters S. *International Journal of Environmental Technology and Management* vol. 3, (3/4) 278-289.
